## Presidents Report

Hi Members.

Just a short note for the first BWWC Flyer for 2008.

The 2007 was a good year, but 08 will be great.

If re-elected I have some interesting projects for the new committee to chew through.

I must thank Dave, our trusty Secretary, what a top job you did, even though you were off colour on several occasions. Well done.

I thank all the committee members who did their bit, and to some whom did a little bit extra. Top job.

And to the numerous members whom assisted in the running of club activities, a big thanks.

To all the members who instructed and demonstrated their skills, a huge thank you.

The ladies of the club, well what can i say, you were always there, to clean up the mess of some

As most of you know, Mr Ron Finch and Mr Bob Adams were rewarded by having their names placed onto the Honour Board for their services to the club and the members.

And don't forget we have a AGM very soon, so if you feel some one didn't pull their weight, or you could have done a better job, then its time for you to put your hand up and step into a committee position. It's no use sitting on a fence and whinging about things, as nothing will ever get done, so step into the wonderful world of your committee

I will be re-nominating, but if another member wants to raise his hand, good. Competition is good for the club

Will close for now, and enjoy 08

Milton Ludlow.

President.
